## Company Profile

- Baker Audio Productions was founded in 1992 in South Carolina. Since then, our voices have been heard on radio and television and via industrial video presentations worldwide.
- Baker Audio Productions specializes in voice-over and commercial production services for radio, television, industrial, and technology.
- Using today's technology, we deliver high quality audio direct to your computer, or via compact disc.

## Demo

- A Baker Audio Productions demo is available online at [www.davebaker.com](http://www.davebaker.com) or by calling (843) 662-6219.
